FEEDBACK ANALYSIS REPORT

An effort was made to receive feedback from Students, teachers, parents and those who visit the college. For this purpose, feedback form had been prepared and taken feedback. Many parents visited college and responses have been collected from the all of them. In order to arrive to comprehensive results, useful statistical tools like percentage, etc. have been used. 62 % students found curriculum to be very effective in enhancing team work, developing analytical skills and constructive learning and 38 % students are expecting improvement in curriculum and expect that updations should be made time and again.

According to the feedback received, feedback committee has made the analysis for the feedbacks so that the proper action can be done.

1) **From Students**: An attempt was made to solicit opinions from all college students. A feedback form had been produced for this purpose, and comments from the students had been solicited. From the feedback received, proper action was taken in order to achieve the goals. The feedback form for the various seminars and the workshops taken in the college were also taken. Satisfactory responses from the students were received.

2) **From Teachers:** An effort was made to receive feedback from all department faculties of the college. For this purpose, feedback form had been prepared and taken feedback. Many feedbacks for the college campus related development was received. Accordingly action was taken.

3) **From Parents:** An effort was made to receive feedback from parents of the students. For this purpose, feedback form had been prepared and taken feedback. Parents were very happy with the college campus and facilities. Depending on the feedback received, action was taken for the betterment of the other facilities.

All the feedback forms received were studied and analyzed by the feedback committee and action taken report was made for the needful.
